## MANAGEMENT DISCUSSION AND ANALYSIS

### RESULTS

Although the market development was hindered by weak consumption sentiment and the lack of blockbusters, the Group's total revenue grew by 9.6% to HK\$266.4 million (2024: HK\$243.1 million) during the Period; this mainly comprised revenue from box office takings of HK\$215.5 million (2024: HK\$196.5 million), accounting for 80.9% (2024: 80.8%) of the total revenue. In terms of revenue by geographical segment, revenue from the Chinese Mainland market increased by 25.1% to HK\$112.7 million (2024: HK\$90.1 million), accounting for 42.3% (2024: 37.0%) of the total revenue, while revenue from the Hong Kong market remained broadly stable at HK\$140.1 million (2024: HK\$141.0 million), accounting for 52.6% (2024: 58.0%) of the total revenue.

Due to the increase of total revenue and effective cost control measures, the Group's net loss narrowed to HK\$47.6 million (2024: HK\$56.8 million). Basic loss per share was HK\$0.015 (2024: HK\$0.018).

### BUSINESS REVIEW

The Group engages in entertainment, media and cultural development businesses, which mainly include the operation of cinemas under *Emperor Cinemas Group*.

As at 31 December 2025, the Group had a total of 24 cinemas in Chinese Mainland, Hong Kong and Macau under the *Emperor Cinemas* and *Emperor Cinemas Plus+* brands, offering a total of 172 houses with approximately 25,000 seats.

Located in either large-scale commercial and entertainment complex or upscale residential areas, the cinemas of the Group are positioned as high-end premium cinemas equipped with advanced technologies including IMAX® and CINITY theatre systems, ScreenX, 4DX or MX4D motion systems, D-Box seats and Dolby Atmos audio system. They also feature VIP houses and VIP lounges, where the audiences can enjoy premium and exclusive entertainment services.

In view of an intensified market landscape and a cautious consumption sentiment, the Group continued to elevate the cinema experience for its audiences by offering unique and detail-oriented services during the Period. The Group also strived to enhance its customer loyalty by enhancing customer relationship management, as well as expand its customer database by utilising social media platforms and implementing joint promotions with payment platforms and credit card issuers. During the Period, the Group's *Emperor Cinemas* located at iSquare, Tsim Sha Tsui, Hong Kong received the "2024-2025 IMAX Excellence Awards – Best Performing IMAX Theatre", which was a testament to the Group's dedication to provide exceptional cinemas facilities and excellent services to its customers.

## **PROSPECTS**

Supported by more collaborations between producers in Hong Kong and the Chinese Mainland, the Group has a positive view regarding the long-term development of the film and cinema industries. The Group will continue adopting a prudent financial management approach in exploring future opportunities for expanding its cinema network, especially in the Chinese Mainland. In this regard, the Group has already secured a prime location in Beijing – Taikoo Place Beijing, where in 2027 the Group will open its third cinema in the capital. The Group will remain committed to closely monitoring market conditions and improving its overall operating efficiency. Leveraging its “*Emperor*” brand established over the past decades, as well as synergy with Emperor Entertainment Group artistes, the Group will endeavour to strengthen its position in the industry.

# NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 31 December 2025

## 1. BASIS OF PREPARATION

The unaudited condensed consolidated financial statements for the Period have been prepared in accordance with the Hong Kong Accounting Standard (“**HKAS**”) 34 *Interim Financial Reporting* issued by the Hong Kong Institute of Certified Public Accountants (“**HKICPA**”) and with the applicable disclosure requirements of Appendix D2 to the Rules Governing the Listing of Securities (“**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (“**Stock Exchange**”). In addition, they have been prepared under the historical cost convention, except for certain financial assets which have been measured at fair value.

The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group’s annual consolidated financial statements for the year ended 30 June 2025.

The Group had a net loss attributable to owners of the parent of HK\$47,615,000 (2024: HK\$56,823,000) for the Period and net current liabilities of HK\$232,427,000 (30 June 2025: HK\$223,613,000) and net liabilities of HK\$1,479,320,000 (30 June 2025: HK\$1,431,298,000) as at 31 December 2025. The Group’s net loss for the Period included certain non-cash expenses/charges in an aggregate amount of HK\$41,317,000 (2024: HK\$53,796,000). The Group had total cash and cash equivalents of HK\$65,723,000 (30 June 2025: HK\$49,821,000) as at 31 December 2025.

In preparing these condensed consolidated financial statements, the Directors have given careful considerations to the current and anticipated future performance and liquidity of the Group and the ability of the Group to execute its plans to attain growth and cash positive operations in the future.

To finance the Group’s businesses, the Group has obtained a long-term loan facility from a related party in the amount of HK\$1,200 million (“**Other Loan Facility**”), of which an aggregate loan facility amount of HK\$1,051 million was utilised as at 31 December 2025, which is repayable on 30 June 2027 (“**Maturity Date**”).

To improve the current and future financial performance and liquidity conditions, various financial performance and resources improvement plans and measures have been implemented/contemplated by the Group to focus on improving the financial performance and liquidity of the Group and to enable the Group to take advantage of any growth opportunities in the future.

The Directors have considered relevant available information and factors about the future and reviewed the Group’s cash flow projections prepared by management, which cover a period of not less than twelve months from 31 December 2025. The Directors believe and assume the Other Loan Facility will continue to be available and no repayment of the loan drawn thereunder and the accrued interest will need to be made before the Maturity Date, as the Group will be dependent on such financing. Based on such, the Directors are of the opinion that, taking into account the anticipated cash flows to be generated from the Group’s operations, the aforementioned financial performance and resources improvement plans and measures, and the availability of the Other Loan Facility, the Group will be able to meet its financial obligations as and when they fall due for a period of not less than twelve months from the end of the reporting period.

## 2. APPLICATION OF AMENDMENTS TO HKFRS ACCOUNTING STANDARDS (“HKFRSs”)

The HKICPA has issued the following amendment to HKFRSs that are first effective for the current accounting period of the Group:

Amendments to HKAS 21 *Lack of Exchangeability*

The application of the amendments to HKFRSs in the current interim period has had no material impact on the Group’s financial positions and performance for the current and prior periods and on the disclosures set out in these condensed consolidated financial statements.

## 3. OPERATING SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services, and has two reportable operating segments as follows:

(a) Cinema operation

Management monitors the results of the Group’s operating segments separately for the purpose of making decisions about resource allocation and performance assessment. The adjusted profit/loss before tax is measured consistently with the Group’s profit/loss before tax except that bank interest income, non-lease-related finance costs as well as unallocated corporate and other expenses are excluded from such measurement.
